that is why I made the bread and yogurt on Saturday night. Before leaving for Montage today, I baked the bread, under the very interested eyes of HAB, at the Golf Course. It turned out beautifully, and that made me feel very good indeed. As soon as the first batch came out of the oven, I broke up one loaf and we all (HARP/WSP/DWP/HAB and SRP) had a piece. The bread was a great success. I gave HAB two loaves to take home with her and also gave two to DWP; SRP kept six of the small loaves for his own use.

When we three arrived at Montage, SRP & Henry took our "Instant Bingo" show on the road and we went amongst the Crowd — Success, at last. We sold hundreds of the Cards — we should have gone amongst them on Friday night. We persevered and we learned — if they don't come to you then you must go to them. SRP carried the box of cards and served as the Barker; Henry was the money man. We made a very successful team. We returned to Carbondale, around midnight, put the truck at 46 Causen (where I had parked my car) and I dropped off Henry & DWP before returning here.

The clouds have lifted! Things have been turned around.

07-08-85-p. 1 — Monday ^{but not in} the one out by the Dunslopp vegetable bed.
The den has eaten 10 more of my sunflowers and I am very angry. I want revenge.

Slept late; began the process of "catching up" at my desk — paid my phone bill (under \$10) and also paid for medical insurance for 3 months (about \$190) and mailed the new insurance policy for Maplewood Cemetery to Pat Carter, among other things. Went into town and typed the document entitled "S. Robert Powell: some basic facts" (shown on p. 07-09-1985-p. 4); called DWP at about 5PM and was pleased to learn that he was interested in attending the final night at Montage; picked up the truck and then picked up Henry & DWP and away we went to Montage. Again Henry & I went amongst them and had great success at selling Instant Bingo. Our neighbor, the Dunmore Civic Association & we decided that we were going to move our "show" under the big tent by the beer stand/food stand — we did so and had great success. Again we sold hundreds & hundreds of Instant Bingo & Henry ran about 30 Polish Poker games — what an incredible up! Success at last. We three were higher than Kites; I worked the Crowd and made sure that Henry had a good supply of poker players; I also sold a large quantity of Instant Bingo Cards. We continued to sell until about midnight & then we stopped because the Crowd was getting a little drunk. We packed up our act — barrels, boards & all — and returned to Carbondale in triumph. We had prevailed & success was ours.
